Note on public rights of way on behalf of OCC as Applicant and Acquiring Authority

1 May 2024

1. On Friday 26 April during the evidence of objectors concerned with public rights of way, the Inspector asked OCC for confirmation of the numbering of certain public rights of way in the area of the HIF1 Scheme. Accordingly, Figures A and B below identify the public rights of way being discussed during that evidence.
2. Further, Core Document A.16.12 (ES Figure 8.7 – Public Rights of Way) provides a Scheme wide view of the public rights of way in the area of the Scheme. Those adjacent to or crossed by the Scheme are described in the key to Fig. 8.7 as “labelled” public rights of way, as the PRow numbering is labelled on the figure. “Other” public rights of way in the key to Fig. 8.7 refers to public rights of way which are not adjacent to or crossed by the Scheme and for which the PRow numbering is not labelled on the Figure.

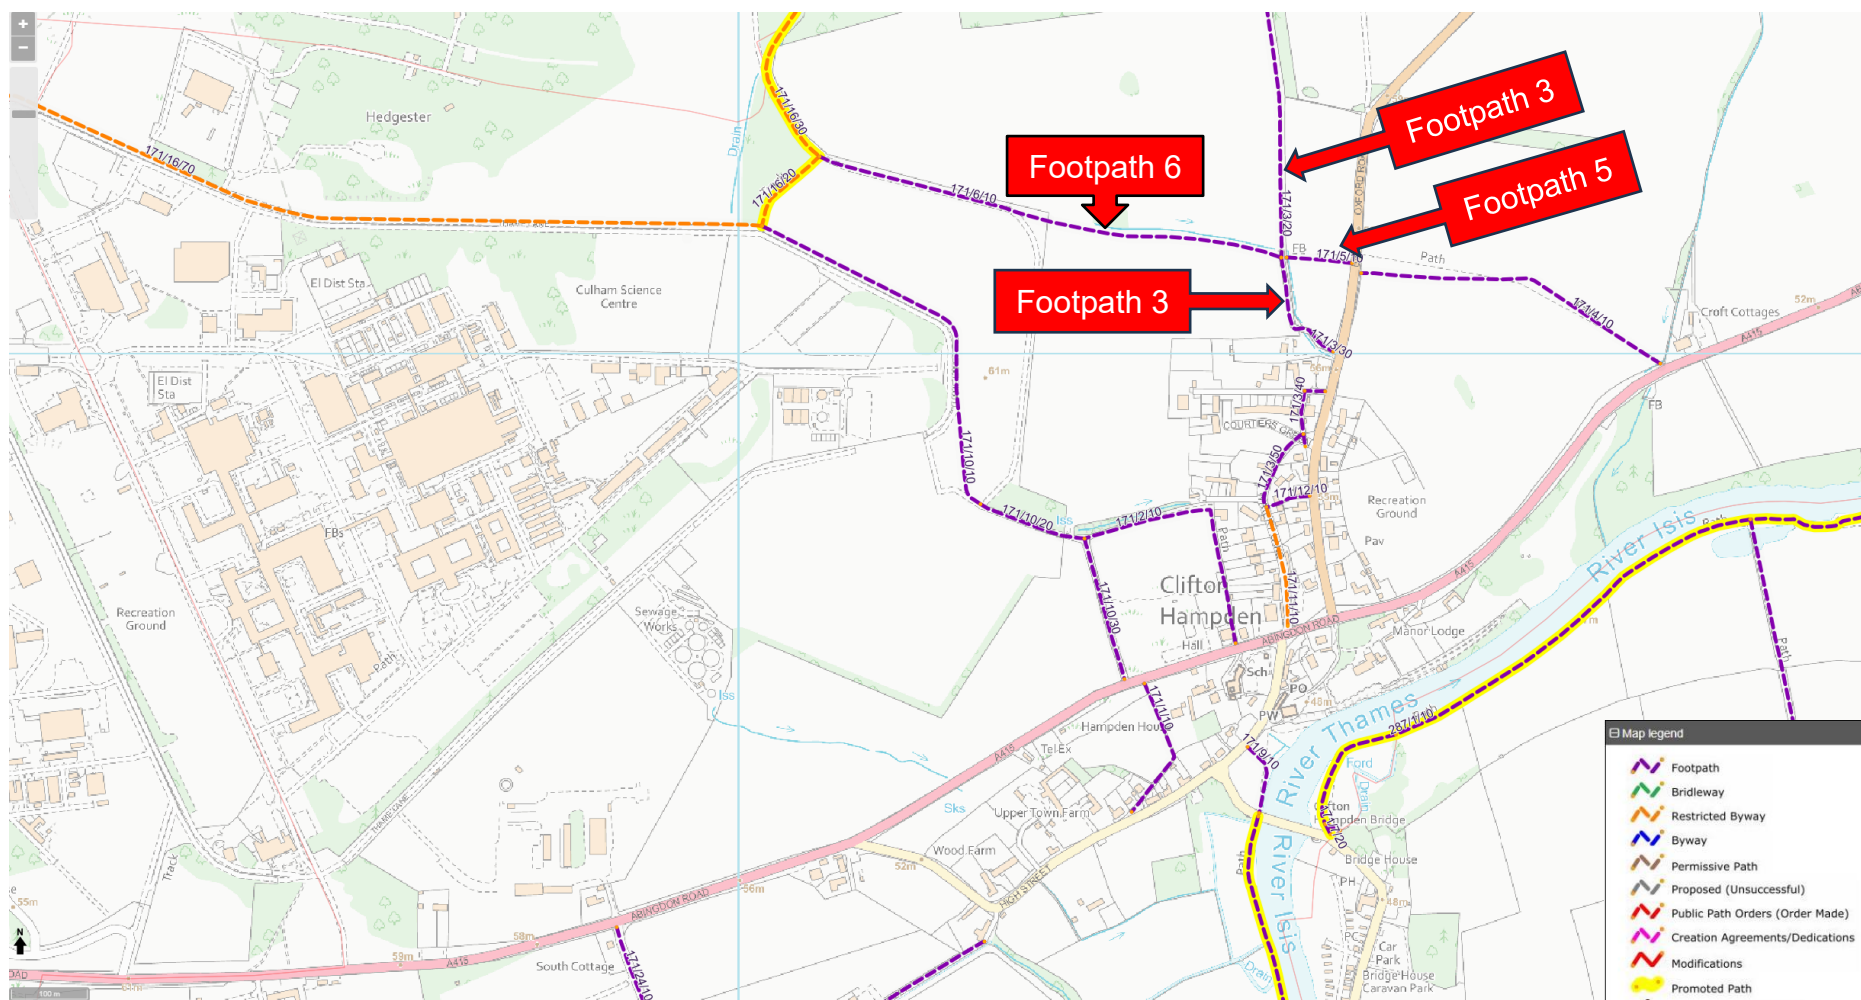

Figure A: area around Clifton Hampden

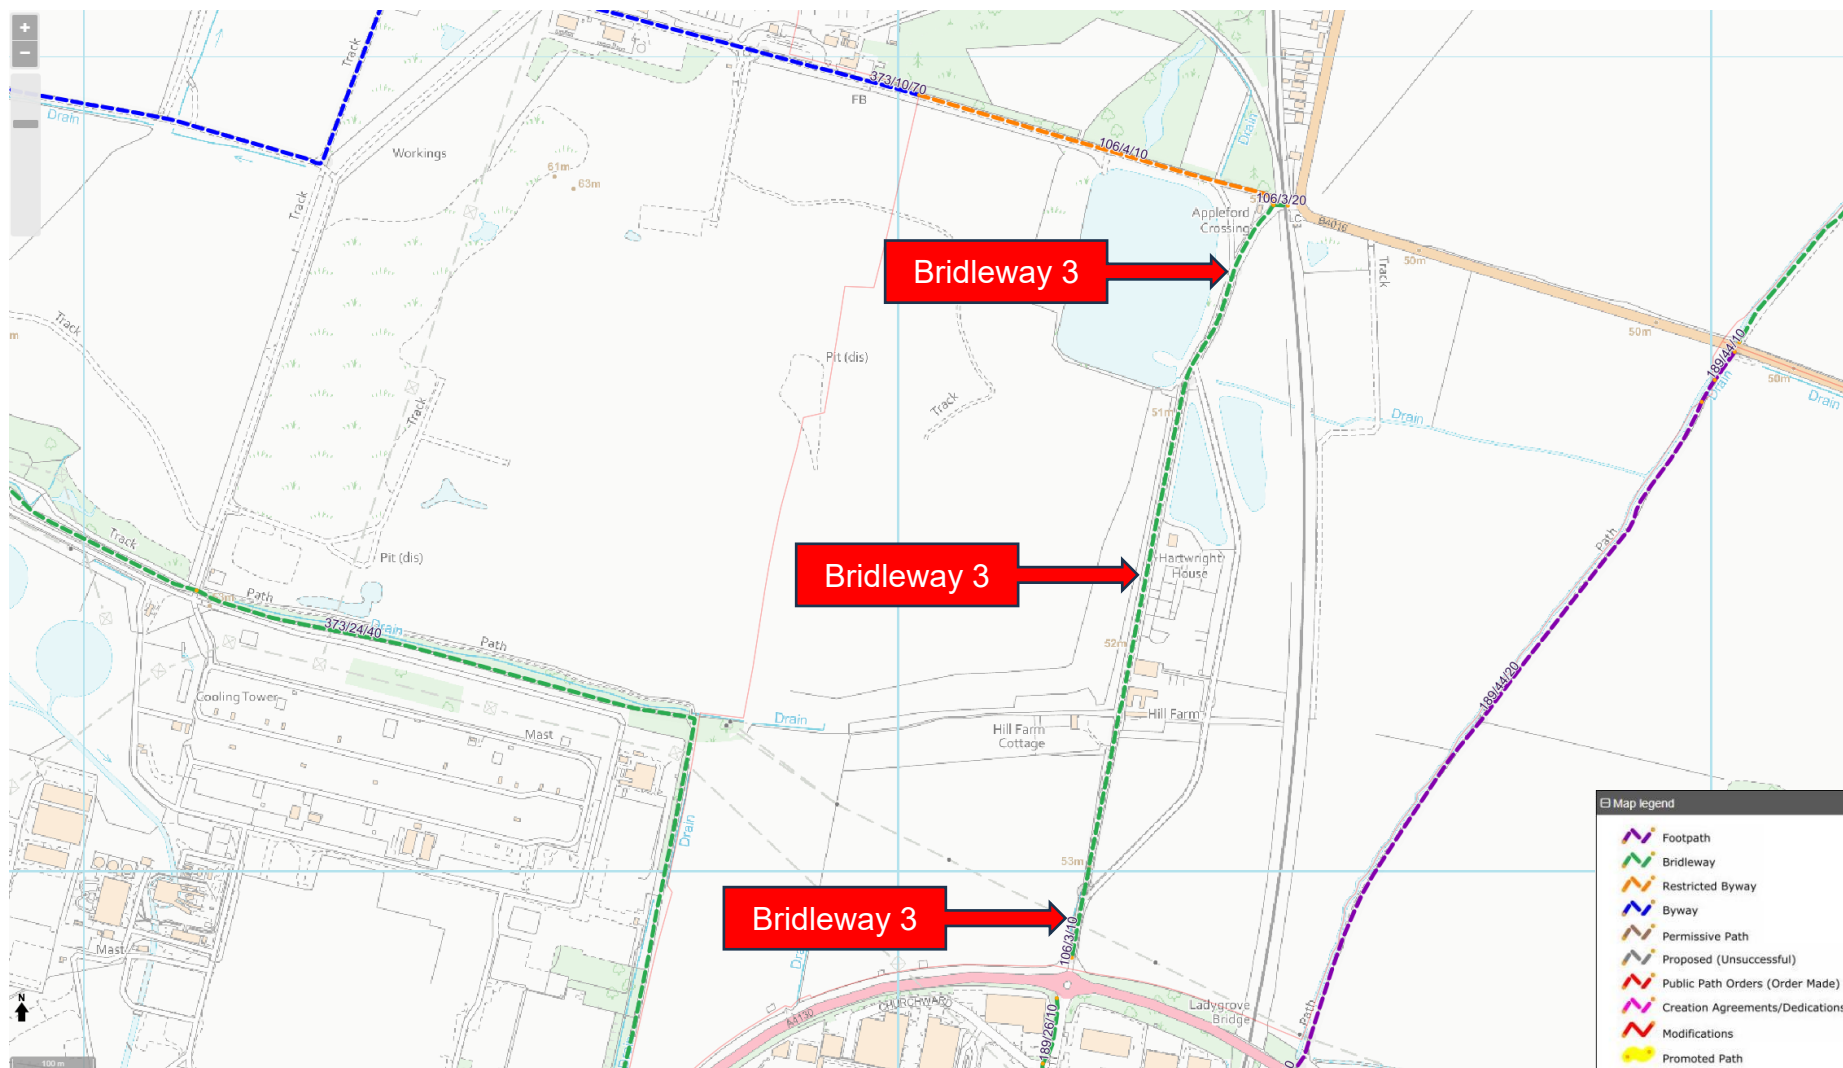

Figure B: area south of Appleford
